Rev. Warren Geldmeier, Pastor of First Baptist Church of Norway in Norway, offered the following invocation:

“Holy Father, thank You for these men and women You have called to serve You in this place. I thank You for their willingness to give of themselves, and I ask that You will encourage them, bless them, comfort and strengthen each of them so that they may serve You and the citizens of Michigan to the best of their ability. Give them wisdom, give them grace, give them patience and give them the hope that comes from faith in You and in Your Son, Jesus Christ. Father grant them humility, so that their work is not stained with self interest, but is pure and selfless on behalf of those they represent.

I pray not only for them as legislators, but also in all the other roles and responsibilities they may have in this life. Preserve them from the stresses and temptations of this job. I pray for the men who are husbands that they will love their wives and be faithful to them, and for those who are wives that they will love their husbands be faithful as well. For all who are parents, that they will not devote themselves to the state at the expense of their children.

Lord, protect them above all, and keep them in Your love, the love that is ours by faith in Christ Who loved us and gave Himself for us, for we believe that You do work all things together for good for those who love You and are called according to Your purpose.

These things I ask in accord with Christ. Amen.”

Rep. Singh moved that Rep. Rutledge be excused from today’s session.
The motion prevailed.

Motions and Resolutions

Reps. McCready, Greig, Heise, Hooker, Howrylak, LaVoy, Leutheuser, Pagan, Potvin, Schor and Webber offered the following resolution:

House Resolution No. 97.

A resolution to declare June 6, 2015, as Childhood Cancer Survivors Day in the state of Michigan.

Whereas, Today, over 250,000 Americans are survivors of childhood cancer. Most children survive thanks to advances in early cancer detection, treatment, and research; and

Whereas, Children’s Hospital of Michigan, the oldest and largest hospital caring for the children of Michigan, has an active and productive cancer survivor population. This demonstrates that a cancer diagnosis is no longer an automatic death sentence; and

Whereas, In addition to Childhood Cancer Survivors Day, communities all across America will be celebrating life on Sunday, June 6, 2015, as part of the world’s largest cancer survivor event, the 26th annual National Cancer Survivors Day; now, therefore, be it

Resolved by the House of Representatives, That members of this legislative body declare June 6, 2015, as Childhood Cancer Survivors Day in the state of Michigan. We urge all citizens to join in this joyous celebration of life; and be it further

Resolved, That a copy of this resolution be transmitted to Children’s Hospital of Michigan as evidence of our support for their endeavors.

(a) The rate of rehospitalization for youth served through the program at 30 and 180 days.

(b) Measured change in the Child and Adolescent Functional Assessment Scale for children served through the program.

This process must include limiting duplicate layers of administration and minimizing PIHP-delegated services that may result in higher costs or inconsistent service delivery, or both.

(b) Take an active role in managing mental health care by ensuring consistent and high-quality service delivery throughout its network and promote a conflict-free care management environment.

(c) Ensure that direct service rate variances are related to the level of need or other quantifiable measures to ensure that the most money possible reaches direct services.

(d) Whenever possible, promote fair and adequate direct care reimbursement, including fair wages for direct service workers.

Sec. 1009. (1) The department shall work with PIHP network providers to analyze the workforce challenges of recruitment and retention of staff who provide Medicaid-funded community living supports, personal care services, respite services, skill building services, and other similar supports and services. (2) All closures or consolidations are dependent upon adequate department-approved CMHSP and PIHP plans that include a discharge and aftercare plan for each individual currently in the facility. A discharge and aftercare plan shall address the individual's housing needs. A homeless shelter or similar temporary shelter arrangements are inadequate to meet the individual's housing needs.

(3) Four months after the certification of closure required in section 19(6) of the state employees' retirement act, 1943 PA 240, MCL 38.19, the department shall provide a closure plan to the house and senate appropriations subcommittees on the department budget and the state budget director.

- (b) The data aggregator must be governed by a nonprofit entity.

(c) All decisions regarding the establishment, administration, and modification of the database must be made by an advisory board. The membership of the advisory board must include the director of the department or a designee of the director and representatives of health carriers, consumers, and purchasers.

(d) The data aggregator must receive health care claims information from, without limitation, commercial health carriers, nonprofit health care corporations, health maintenance organizations, and third party administrators that process claims under a service contract.

Sec. 1809. The department shall establish separate contract performance standards for Medicaid health plans that adhere to the requirements of section 105d of the social welfare act, 1939 PA 280, MCL 400.105d, associated with the 0.75% and 0.25% capitation withhold. The determination of the performance of the 0.75% capitation withhold is at the discretion of the department but must include recognized concepts such as 1-year continuous enrollment and the HEDIS audited data. The determination of the performance of the 0.25% capitation withhold is at the discretion of the department but must include recognized concepts such as encouraging the utilization of high-value services and discouraging the utilization of low-value services.

Sec. 1810. The department shall enhance encounter data reporting processes and develop rules that would make each health plan's encounter data as complete as possible, provide a fair measure of acuity for each health plan's enrolled

population for risk adjustment purposes, capitation rate setting, diagnosis-related group rate setting, and research and analysis of program efficiencies while minimizing health plan administrative expense.

Sec. 1812. (1) By June 1 of the current fiscal year, the department shall require each hospital that receives funds appropriated in part 1 for graduate medical education to submit a report disclosing all direct and indirect costs associated with the residency training program to the department, the house and senate appropriations subcommittees on the department budget, and the house and senate fiscal agencies.

(2) By August 1 of the current fiscal year, the department shall require each hospital that receives funds appropriated in part 1 for graduate medical education to submit a report identifying and explaining the following:

(a) The marginal cost to add 1 additional residency training program slot.

(b) The number of additional slots that would result in the need to add additional administrative costs to oversee the residents in the training program.

(c) The postresidency retention rate for the residency training program.

(3) The department shall hold graduate medical education recipients' fourth quarter payments until the submission of the information required in subsections (1) and (2).

(4) The department shall convene a workgroup to use the reports submitted under subsections (1) and (2) to assist in the development of metrics for distribution of graduate medical education funds and shall report to the senate and house appropriations subcommittees on the department budget and the senate and house fiscal agencies on the results of the workgroup by September 30 of the current fiscal year. It is the intent of the legislature that, beginning with the budget for the fiscal year ending September 30, 2017, the metrics developed by this workgroup be used to determine the distribution of funds for graduate medical education.

(5) If needed, the department shall seek a federal waiver to fulfill the requirements of this section.

Sec. 1820. (1) In order to avoid duplication of efforts, the department shall utilize applicable national accreditation review criteria to determine compliance with corresponding state requirements for Medicaid health plans that have been reviewed and accredited by a national accrediting entity for health care services.

(2) The department shall continue to comply with state and federal law and shall not initiate an action that negatively impacts beneficiary safety.

(3) As used in this section, "national accrediting entity" means the National Committee for Quality Assurance, the URAC, formerly known as the Utilization Review Accreditation Commission, or other appropriate entity, as approved by the department.

(4) By July 1 of the current fiscal year, the department shall provide a progress report to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the state budget office on implementation of this section.

Sec. 1837. The department shall continue, and expand where appropriate, utilization of telemedicine and telepsychiatry as strategies to increase access to services for Medicaid recipients in medically underserved areas.

Sec. 1850. The department may allow Medicaid health plans to assist with the redetermination process through outreach activities to ensure continuation of Medicaid eligibility and enrollment in managed care. This may include mailings, telephone contact, or face-to-face contact with beneficiaries enrolled in the individual Medicaid health plan. Health plans may offer assistance in completing paperwork for beneficiaries enrolled in their plan.

Sec. 1861. The department shall encourage cooperation between the Medicaid managed care health plans, other health providers, and nonprofit entities to help facilitate a pilot nonemergency transportation system.

Sec. 1862. From the funds appropriated in part 1, the department shall maintain payment rates for Medicaid obstetrical services at 95% of Medicare levels effective October 1, 2014.

Sec. 1866. One of the reimbursement components of the distribution formula shall be assistance with labor and delivery services.

(2) No hospital or hospital system shall receive more than 10.0% of the total funding referenced in subsection (1).

The department shall publish the distribution of payments for the current fiscal year and the immediately preceding fiscal year.

Sec. 1870. The department shall work in collaboration with Michigan-based medical schools that choose to participate in the creation of a graduate medical education consortium known as MIDocs. The purpose of MIDocs is to develop freestanding residency training programs in primary care and other ambulatory care-based specialties. MIDocs shall design residency training programs to address physician shortage needs in this state, including placing physicians post-residency in underserved communities across this state. MIDocs shall give special consideration to small and rural hospitals with a GME program director. MIDocs' voting members will include any Michigan-based university with a medical school or an affiliated faculty practice physician group that is making a substantial contribution to MIDocs programs. The department shall be a permanent nonvoting member of MIDocs. The department, in collaboration with MIDocs voting members, may also appoint nonvoting members to MIDocs to represent various stakeholders. As the sponsoring institution and fiduciary, MIDocs shall assure initial and continued accreditation from the accreditation council for graduate medical education or ACGME, financial accountability, clinical quality, and compliance. The department shall require an annual report from MIDocs detailing per resident costs for medical training and clinical quality measures. The department shall create MIDocs no later than January 10, 2015. MIDocs shall provide the department with a report proposing the creation of new residency programs and an actionable plan for retaining consortium related students post-residency, especially in underserved communities. The work project allocation from the fiscal year ending September 30, 2015 is allocated to prepare the report, legally create the consortium, prepare to obtain ACGME accreditation, and develop new residency programs.

Sec. 1888. The department shall establish contract performance standards associated with the capitation withhold provisions for Medicaid health plans at least 3 months in advance of the implementation of those standards. The determination of whether performance standards have been met shall be based primarily on recognized concepts such as 1-year continuous enrollment and the healthcare effectiveness data and information set, HEDIS, audited data.

Sec. 1890. From the funds appropriated in part 1 for pharmaceutical services, the department shall ensure Medicaid recipients access to breast pumps to support and encourage breastfeeding. The department shall adjust Medicaid policy to, at a minimum, provide an individual double electric style pump to a breastfeeding mother when a physician prescribes such a device based on diagnosis of mother or infant. If the distribution method for pumps or other equipment is a department contract with durable medical equipment providers, the department shall guarantee providers stock and rent to Medicaid recipients without delay or undue restriction.

Sec. 1894. (1) From the funds appropriated in part 1 for dental services, the department shall expand the healthy kids dental program to children who have not yet reached the age of 13 in Kent, Oakland, and Wayne Counties. The department shall submit this report to the state budget director, the subcommittees, and the fiscal agencies.

(2) The department shall expend the funds appropriated in part 1 for medical marihuana operation and oversight grants for grants to county law enforcement offices for the operation and oversight of the Michigan medical marihuana program pursuant to section 6(I) of the Michigan medical marihuana act, 2008 IL 1, MCL 333.26426. These grants shall be distributed proportionately based on the number of registry identification cards issued to or renewed for the residents of each county whose county law enforcement office applied for a grant under subsection (3). For the purposes of this subsection, operation and oversight grants are for education, communication, and enforcement of the Michigan medical marihuana act, 2008 IL 1, MCL 333.26421 to 333.26430.

The form shall contain the county law enforcement office's specific projected plan for use of the money and its agreement to maintain all records and to submit documentation to the department to support the use of the grant money.

(4) In order to be eligible to receive a grant under subsection (2), a county law enforcement office shall apply no later than January 1 and agree to report how the grant was expended and provide that report to the department no later than September 15. The department shall submit a report no later than October 15 of the subsequent fiscal year to the state budget director, the subcommittees, and the fiscal agencies detailing the grant amounts by recipient and the reported uses of the grants in the preceding fiscal year.

If a county law enforcement office distributes a discretionary grant in this manner, that county law enforcement office shall require the receiving municipal law enforcement agency to provide a report on how that grant was spent. Reports from municipal law enforcement agencies shall be included as part of the report submitted to the department as required in subsection (4).

(2) If the amount appropriated in part 1 for firefighter training grants is expended by the firefighter training council, established in section 3 of the firefighters training council act, 1966 PA 291, MCL 29.363, for payments to counties under section 14 of the firefighters training council act, 1966 PA 291, MCL 29.374, it is the intent of the legislature that:

(a) The amount appropriated in part 1 for firefighter training grants shall be disbursed pursuant to section 14(2) of the firefighters training council act, 1966 PA 291, MCL 29.374.

(b) If the amount disbursed to any county under subsection (2)(a) is less than \$5,000.00, the amounts disbursed to each county under subsection (2)(a) shall be adjusted to provide for a minimum payment of \$5,000.00 to each county.

(3) No later than February 1, the department shall submit a financial report to the subcommittees and fiscal agencies identifying the following information for the preceding fiscal year:

(d) A description of any other payments or expenditures made under the authority of the firefighter training council.

(e) The amount of payments approved for disbursements to counties that was not expended or encumbered and lapsed back to the fireworks safety fund.

(4) It is the intent of the legislature that the amount appropriated in part 1 for firefighter training grants be adjusted each fiscal year to reflect lapses from the preceding fiscal year into the fireworks safety fund created in section 11 of the Michigan fireworks safety act, 2011 PA 256, MCL 28.461, for the purpose of ensuring that lapsed grant funds are reallocated in subsequent fiscal years.

Sec. 904. (1) The funds appropriated in part 1 for a regional or subregional library shall not be released until a budget for that regional or subregional library has been approved by the department for expenditures for library services directly serving the blind and persons with disabilities.

(2) In order to receive subregional state aid as appropriated in part 1, a regional or subregional library's fiscal agency shall agree to maintain local funding support at the same level in the current fiscal year as in the fiscal agency's preceding fiscal year. If a reduction in expenditures equally affects all agencies in a local unit of government that is the regional or subregional library's fiscal agency, that reduction shall not be interpreted as a reduction in local support and shall not disqualify a regional or subregional library from receiving state aid under part 1. If a reduction in income affects a library cooperative or district library that is a regional or subregional library's fiscal agency or a reduction in expenditures for the regional or subregional library's fiscal agency, a reduction in expenditures for the regional or subregional library shall not be interpreted as a reduction in local support and shall not disqualify a regional or subregional library from receiving state aid under part 1.

The department shall complete and deliver these reports no later than 45 days after the end of the fiscal quarter.

By December 1 each year, the department shall provide a report to the senate and house fiscal agencies and the state budget office on the use of the disaster and emergency contingency fund during the prior fiscal year.

(3) If Federal Emergency Management Agency (FEMA) reimbursement is approved for costs paid from the disaster and emergency contingency fund, the federal revenue shall be deposited into the disaster and emergency contingency fund.

(4) Unexpended and unencumbered funds remaining in the disaster and emergency contingency fund at the close of the fiscal year shall not lapse to the general fund and shall be carried forward and be available for expenditures in subsequent fiscal years.
